Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Stanislaus Council of Governments (StanCOG) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
13	State, Local, and Transit Elements Modifies or adds projects from various programs in the StanCOG region. The amendment includes projects with funding from the Safe Routes to School (SR2S) Program, High Priority Projects Program, Congestion Mitigation and Air Quality Improvement Program, Surface Transportation Program, Federal Transit Administration (FTA) 5307 Program, and the American Recovery and Reinvestment Act of 2009.

See enclosure.

The StanCOG Board Resolution adopting this FTIP amendment certifies that projects included are financially constrained, satisfy the transportation conformity provisions, and meet the requirements of public involvement.

Pursuant to the authority delegated to me, I approve StanCOG's Amendment No. 13. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.
